My Monday morning class with being doing a tap dance to "Broadway Baby" by the Follies, and will be doing the waltz from the first act of Sleeping Beauty "Act I: The Spell (Le Sorte Jete) 6 Valse" by Tchaikovsky. I've attached "Broadway Baby," and I'm working on editing the Waltz, but it will be about 2 minutes long. Their tap dance will be called "Broadway Baby," and their ballet dance will be called "Sleeping Beauty."

My Modern I/II will be dancing to "After the Storm" by Mumford and Sons, and the dance will have the same title. I am still working on their music. It will be 2.5-3 minutes

My Adult Ballet class will be dancing to a mashup of songs from the Pride and Prejudice album, the first song is called "Dawn" and the other is called "Georgiana," and the dance will be titled "The Secret Life of Daydreams" I have attached it to this email. The Adult Ballet class will also be doing "Coppelia Act I: Valse," and will have the same title. I have attached this music to the email as well.

I would prefer to attend the fair on Wednesday, June 21st since I have rehearsals on Sundays.
